

Nephrite

Nephrite: Fiat currencies on the TRON blockchain

Abstract:

Nephrite is a TRC20 token designed to function as a stablecoin, pegged to the value of fiat currencies such as the US dollar. It provides users with a decentralized, transparent and secure payment solution on the TRON blockchain. This white paper outlines the technology, features, and benefits of Nephrite, as well as its potential use cases in the cryptocurrency market.

TERMS OF USE

Welcome to Nephrite (the “Platform”), a blockchain-based platform designed to enable users to securely and efficiently transact in cryptocurrencies. By accessing or using the Platform, you agree to be bound by these Terms of Use (the “Terms”). If you do not agree to these Terms, you may not access or use the Platform.

1. Acceptance of Terms

These Terms constitute a binding agreement between you and Nephrite with respect to your use of the Platform. By accessing or using the Platform, you agree to be bound by these Terms, which may be modified from time to time. Nephrite reserves the right to modify these Terms at any time, and your continued use of the Platform after such modifications shall be deemed to constitute your acceptance of any modified terms.

2. Use of the Platform

Subject to your compliance with these Terms, Nephrite grants you a limited, non-exclusive, non-transferable, revocable license to access and use the Platform solely for your own personal, non-commercial use. You agree to use the Platform only for lawful purposes and in compliance with all applicable laws and regulations.

3. User Conduct

You agree not to use the Platform to:

- Engage in any conduct that violates any applicable laws or regulations;
- Use the Platform in any manner that could damage, disable, overburden, or impair the Platform or interfere with any other party's use of the Platform;
- Attempt to gain unauthorized access to the Platform, other user accounts, or any computer systems or networks connected to the Platform;
- Use any robot, spider, or other automatic device, process, or means to access the Platform for any purpose, including monitoring or copying any of the material on the Platform;
- Use any manual process to monitor or copy any of the material on the Platform or for any other unauthorized purpose without our prior written consent;
- Introduce any viruses, Trojan horses, worms, logic bombs, or other material that is malicious or technologically harmful;
- Use the Platform to transmit any unsolicited or unauthorized advertising, promotional materials, junk mail, spam, chain letters, or any other form of solicitation;
- Use the Platform to impersonate or attempt to impersonate Nephrite, a Nephrite employee, another user, or any other person or entity;
- Use the Platform in any way that infringes any patent, trademark, trade secret, copyright, or other intellectual property rights or violates any privacy or publicity rights of any person;
- Use the Platform for any illegal or unauthorized purpose or to engage in, encourage, or promote any activity that is illegal or unauthorized.

4. User Content

The Platform may allow you to submit, upload, publish, or otherwise make available content, including but not limited to comments, feedback, ratings, and reviews (collectively, "User Content"). You retain all rights in, and are solely responsible for, the User Content you submit to or through the Platform.

By submitting User Content to or through the Platform, you grant Nephrite a non-exclusive, perpetual, irrevocable, transferable, sublicensable, royalty-free, worldwide license to use, copy, modify, create derivative works based on, distribute, publicly display, publicly perform, and otherwise exploit in any manner such User Content in all formats and distribution channels now known or hereafter devised (including in connection with the Platform and Nephrite's business and on third-party sites and services), without further notice to or consent from you, and without the requirement of payment to you or any other person or entity.

You represent and warrant that:

- You own or control all rights in and to the User Content and have the right to grant the license granted above;
- All of your User Content does and will comply with these
